

H₂OCEAN

PREMIUM

WATER MAKER

REVERSE OSMOSIS WATERMAKER

H2Ocean Watermaker Premium series is a **FULL AUTOMATIC** system consisting of 5 different models ranging from 90 liters per hour to 240 liters of water production capacity with high efficiency and easy to use system. There is an automatic washing / cleaning function that switches itself after each use. Produces sterile water and works with remote control.

AUTOMATIC WASHING /CLEANING
FUNCTION AFTER EACH USE (PRIMING)

UV FILTER

REMOTE CONTROL PANEL

CE Sertifikalıdır
Certificated

Unlike other watermaker, H2Ocean Automatic Washing System only use its own sterile water. So that the membranes are protected and you can keep the device without running up to 4 weeks. There is a digital remote control panel on system for easy to use. With this panel, the watermaker can be turned on and off without going into engine room.

- Corrosion-resistant stainless steel case with 316-L quality
- Possibility of modular installation in boats with space problem
- Dow Chemical high technologie membrans
- Atlas Filtri (5M-25M) 2 stage pre-filtering system
- 316-L quality stainless steel low pressure pump
- Membrane protection system against sudden pressure rises
- High pressure protection system against sea water failure
- 2 years warranty

H₂OCEAN

ECO WATERMAKER

REVERSE OSMOSIS WATERMAKER

H2Ocean Watermaker Eco series is a **MANUEL** system consisting of 5 different models ranging from 90 liters per hour to 240 liters of water production capacity with high efficiency and easy to use system. Long life thermoplastic case ECO model devices do not have UV sterilizer, digital remote control panel and automatic washing system. If request they can be add as an option.

- Long life thermoplastic case
- Corrosion-resistant stainless steel membran tubes with 316-L quality
- Possibility of modular installation in boats with space problem
- Dow Chemical high technologie membrans
- Atlas Filtri (5M-25M) 2 stage pre-filtering system
- 316-L quality stainless steel low pressure pump
- Membrane protection system against sudden pressure rises
- High pressure protection system against sea water failure
- 1 year warranty
